This Office then undertakes the duty of obtaining notice of departure and despatching the correspondence. It is requested that the letters be posted if possible at least one day before the date fixed for sailing.

TEA MUSTERS. Persons who send Musters of Tea through the Post in Tins are requested to have them made flat or square instead of round, as it is impossible to pack round tins securely in the mail bags. It is believed that the tea will travel more safely in flat time, which are not so liable as round ones to be bulged in. 4 by 3 by 14 inches is suggested as a good size. The time should not have sharp corners.
